Challenge Rules

Note: Participants must agree to and comply with the Conditions of Participation. The Challenge Rules apply to all participants.

1. **Purpose:** The ICPC Challenge presents a problem from a contemporary application area in computing. The problem style may be very different from standard ICPC problems. This contest provides ICPC participants the opportunity to learn about and experience leading-edge issues in computing, typically of contemporary interest to industry. The ICPC Challenge also provides a platform for the ICPC to experiment with new problem types.
2. **Participant Requirements:** This is a contest for individuals. Participants must compete by themselves and may only use publicly-available information from the Internet. Participants may not access any information requiring any form of authentication (cloud storage, etc.).
3. **Computing Resources:** Participants must provide their own computing resources such as CPU, memory, disk, etc. Such resources can be physical, cloud-based, etc.
4. **Conducting the Challenge:** The Contest consists of a Problem Set. Each Problem in the Problem Set will be posed in English. A contestant may submit a claim of ambiguity or error in a problem statement by submitting a clarification request. If the Judges agree that an ambiguity or error exists, a clarification will be issued to all contestants. Issuing a correction will not by default change timing or scoring of the Contest.

A Submitted Solution must fully comply with the solution specification. If a Submitted Solution is fully-compliant, the system will flag it as accepted; otherwise, the solution will be flagged as rejected. The system may limit the submission and judging rate of Submitted Solutions.

5. **Scoring:** The Challenge Judges are solely responsible for determining the correctness and accuracy of Submitted Solutions. In consultation with the Challenge Judges, the Director of Challenge Judging (DoCJ) is responsible for determining the winners of the ICPC Challenge. The DoCJ is empowered to adjust for or adjudicate unforeseen events and conditions. Their decisions are final.

Scoring and ranking details are provided with the Problem Set.

6. **Participant Conduct:** Participants are not to converse with anyone except personnel designated by the Challenge Director. A participant may be disqualified by the Challenge Director for any activity that jeopardizes the ICPC Challenge such as violating the rules, disruptive activities, attempts to deny timely service, etc. The Challenge Director makes the final determination on disqualification.
7. **Contest Period:** The Contest will be conducted during the times published on the Contest website. All dates and times are subject to change in Contest Director's sole discretion. Times are approximations and may be subject to change/variations due to this Contest being a live event; times may be shortened or extended as necessary due to exigencies of the circumstances or as deemed necessary by Organizer but shall apply uniformly to all participation/participants. The

Sponsor's clock at the Challenge shall be the official time keeping device for the Challenge, unless otherwise stated.

8. **Winners Selection:** Only participants who entered a valid ICPC username (email address) during registration are eligible for recognition as a winner and prizes. Assuming sufficient eligible entries are received, it is anticipated that potential Judged Winners will be selected based on their highest combined score. Organizer may, but without obligation, select more than the stated number of winners if found to be of exceptional quality in Organizer's sole and absolute discretion. Organizer reserves the right to select fewer than the stated number of prize winners due to insufficient eligible and qualified entries/participants. By way of example only, Organizer reserves the absolute right in its sole discretion to disqualify as ineligible entries that do not provide (in Organizer's sole determination) a credible or feasible use of the solution technologies, appear not to have been submitted honestly, in good faith, or are otherwise lacking or non-compliant. All prize awards are subject to Organizer's verification of entrant/entry's eligibility and compliance.
9. **Prizes:** Subject to receiving sufficient eligible entries, prize(s) available to be awarded as described in the Contest official website.

Limit one (1) Prize per person per contest. All prize awards are contingent upon verification of potential winners and entry, confirmation of their eligibility to receive a prize, and compliance with these Official Rules. All taxes and other expenses, costs or fees associated with the acceptance and/or use of any prize are the sole responsibility of winners. Prizes cannot be transferred or substituted by winner.

10. **Taxes:** All winners are solely responsible for payment of local, state, country or any other taxes if applicable, compliance with (governmental/SARs) reporting, filing and documentation requirements, and for any other costs, expenses and fees connected with their acceptance and use of the prize in their respective jurisdictions. Prizes will be awarded to and in the name of the individual Participant.
11. **Compliance and Disqualification:** In the event of disqualification for noncompliance, ineligibility, if a potential winner refuses or fails to complete and return release documents as directed on or within the time stated, or for any other reason arising after the Contest, that prize will be forfeited in its entirety and Organizer reserves the right to not award that respective prize. Returned, undelivered, unclaimed, forfeited or un-awarded prizes will not be (re)awarded. Organizer shall have the right, where necessary, to undertake all action and/or require further information as is reasonable to protect itself, or any of the Promotion Entities against fraudulent or invalid claims, potential public scandal, ridicule, or disrepute in awarding the prize to any Participant.

THESE OFFICIAL RULES (ENGLISH VERSION) SHALL GOVERN THE CONTEST AND ALL ELEMENTS THEREOF AND OUR RESPECTIVE OBLIGATIONS WITH RESPECT THERETO. USE OF THE WEBSITE, INFORMATION PRACTICES, AND ALL OTHER GENERAL TERMS ARE GOVERNED BY SPONSOR'S TERMS OF USE FOR THE WEBSITE AND/OR PRIVACY POLICY AS APPLICABLE. Each Participant grants to Organizer a perpetual, fully paid up, irrevocable, nonexclusive, worldwide license to their Submissions, including the right to use, have used, execute, display, reproduce, make, have made, perform, disclose, prepare derivative works from, and distribute, sell, offer to sell, import, have imported and transmit their project and derivative works therefrom for any purpose, and the right to sublicense others to do any or all of the foregoing. A Participant will be disqualified if Organizer has any reason to believe that Participant has violated the terms of this paragraph. Participants should consult with appropriate advisors or legal counsel if they have any doubt as to whether they are meeting the requirements of this paragraph. Participants may bring to a Contest any pre-developed or licensed Technology that they plan to use in connection with their Submission, provided that such Technology meets the requirements of this paragraph.

"Technology" means, without limitation, content (including pictorial, audio and audio-visual content), code, specifications, technical information, algorithms, images, design, art, music, graphics, special effects, data, and any other information or materials protected by any intellectual property right.

13. Participant has all other rights, licenses, permissions and consents necessary to submit Media and to grant all of the rights granted to the Promotion Entities in these Official Rules, and the exercise thereof by the Promotion Entities and/or the use by them of the rights granted by Participant, in whole or in part, does not and will not give rise to any alleged or actual claims, disputes, actions or liabilities, including but not limited to those for disputes or payment of any kind, including without limitation royalties, residuals, attribution, credit, dues, approval or consultation rights, or any rights of participation, attribution, or any other fees, costs, or expenses, arising out of the submission, use, exhibition and/or any other use or exploitation of the entry, in whole and in part, the use thereof by Sponsor, and the exercise by Promotion Entities of any of the rights granted in these Challenge Rules. Further, to the maximum extent permitted by law, and without limiting the foregoing, Participants and winners agree to Release the Released Parties from and against any and all threatened or actual disputes arising at any time directly or indirectly from any dispute brought by any Participant, or other persons or entities (who may be other than a party to these Official Rules) arising from or related to an entry, participation and/or involvement in any other respect in the Contest, and/or the delivery, acceptance, use, misuse of a prize or any failure with respect thereto. Participants and winners covenant not to sue any Released Party or cause them to be sued regarding any matter released above; and further covenant not to disaffirm, limit or rescind these Releases to the fullest extent permitted by law. A waiver by one or more of the Promotion Entities of any term in these Official Rules does not constitute a waiver of any other provision. Sponsor shall have the right, where necessary, to undertake all action and/or require further information as is reasonable to protect itself, or any of the Promotion Entities against fraudulent or invalid claims, potential public scandal, ridicule, or disrepute in connection with the Contest.

theft or destruction of any entry, or other Contest related materials or information, in whole or in part. If for any reason the Contest, or any part thereof, is not capable of running as planned for any reason, including (but not limited to) infection by computer virus, bugs, tampering, unauthorized intervention, artifice, fraud, cheating, technical failures, a force majeure event, or any other causes similar or dissimilar which corrupt or affect the administration, security, fairness, integrity, or proper conduct of the Contest, or any element thereof, Sponsor reserves the right at its sole discretion to cancel, terminate, modify or suspend the Contest or any part thereof. Sponsor reserves the right to select only potential winners from eligible, non-suspect entries received (prior to the force majeure event or otherwise), but only if doing so is deemed commercially practicable/feasible, and equitable in Sponsor's sole determination under the circumstances. Any attempt by a Participant to deliberately damage any website or undermine the legitimate operation of the Contest, or any part thereof, is a violation of laws and should such an attempt be made, Sponsor reserves the right to disqualify Participant and seek damages from any such Participant to the fullest extent of the law.

17. **Official Rules Changes:** Organizer reserves the right, without notice or prior approval, to modify or supersede these Official Rules in its sole reasonable discretion and in such event will post revised Official Rules on the Website, which will continue to govern all aspects of the Contest.
